Work Availability: Now, full-time internship

I'm a fresh graduate from SMU looking for work in Public Relations. I'm keen to tap on my business education and more crucially, research & writing skills for work.

## **Work Experience**

Strategy Intern, British Council

Feb-Mar 2015

- Presented to diagnose issues with and encourage change on how face-to-face, hotline & online Customer Contact teams sell the company's products & services
- Actively conducted interviews with co-workers and with Customer Contact teams, delivered concise reports highlighting key insights & possible solutions

## **Non-Profit & Research Experience**

Field Coordinator and Lead Research Assistant

Mar-Dec 2014

- Part of SMU Asst. Professor N. Harrigan-led research team who worked with TWC2 to create a large scale sexuality-and-relationship research study
- Worked on the ground by speaking to and interacting with migrant workers and domestic helpers
- Gathered, managed & supervised small student teams to conduct informal interviews every Sunday night in Little India

## **Education**

Singapore Management University

Graduated Dec 2017

- Bachelor of Social Sciences, Major in Sociology

President, No one is Special (Student Club)
